

How Suite 3 connects.

The supplied schematic explains the rooms and the outdoor route to the huddle room.

01 Street entrance

Direct arrival from E Cesar Chavez Street.

02 Main team room

Open workspace. Desk arrangements are examples, not a measured 25-desk plan.

03 Kitchenette + restroom

These amenities are within the main suite.

04 Rear door + courtyard

The back door leads outside to the fenced seating area.

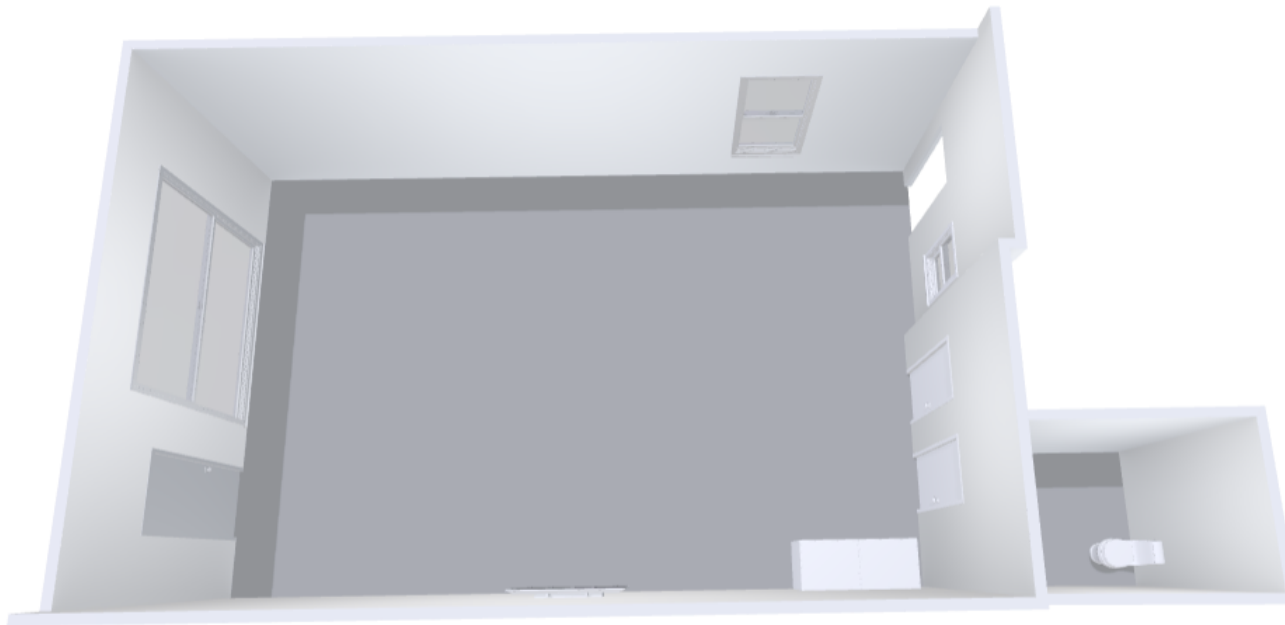

05 Separate huddle room

Reached across the courtyard, with its own door.

Illustrative, not to scale. Approx. 750 SF is the listing size. Final furniture layout and occupancy are confirmed with Dwell.

The main room, in three dimensions.

This supplied 3D view shows the main room and restroom only. Use the full schematic for the separate huddle room and courtyard.

What to discuss on your tour

Daily workstation count, desk sizes, clear routes to both doors, furniture inventory and any meeting-room needs.

Existing 3D model supplied by Dwell. No dimensions or new openings have been invented.
